Questions Lyle Brigle 419-212-2536,
Susan Catteall 260-316-0660 Sandy Bihn 419-367-1691**

SPONSORS

**Steuben
County Lakes
Council**

Join us for a day of learning and discussion about the impact of manure and the density of livestock/manure in the Williams and Steubon Counties in the Western Lake Erie Watershed from those that are impacted, researchers and more. This in-person and virtual event will feature expert speakers, and networking opportunities. Whether you're a farmer, researcher, neighbor, fisherman, boater or Lake Erie water enthusiast, this conference is a great opportunity to dive deep into the impacts of manure runoff on water and property owners. Find out how you can help! Don't miss out - register now!
